

This rug plays interesting games with our perception, it will spend its life on the floor, looked down upon by children and adults alike, who may well be wondering as to the origins of the design. They are in fact contemplating a rug made from a painting about what it is like to look up into a partially destroyed roof.

Produced in a limited edition of 5.

RAFTERS CONF 543

SIZE 2.74 x 3.58m (9' x 11'7")
